Is there a specific arts or culture organization in your part of the state that you or your family particularly enjoy, or do you have an artistic talent or hobby?

- Yes**
- No

If yes, please list your talent/hobby and your favorite organization(s) here:

I play the violin and my husband plays the guitar. We enjoy the North Platte Concert Association and Sandhills Symphony.

Other comments:

We have engaged private and group lessons for our children in piano, ukulele, drawing, painting, and dance. We believe that brain development is uniquely affected when one participates in an artistic pursuit. I know that for some students participation in art, music, choir, or acting/debate is the highlight of their school day and where they derive much confidence and self-identification.
