Are you aware of an agency of state government – the Nebraska Arts Council (NAC) – whose mission is to support the arts, humanities and creative activities in Nebraska?

(very aware, moderately aware, slightly aware, not aware)

Very aware

In FY2023-24, the Nebraska Arts Council invested \$2.6 million in state general appropriations in grants and services across the state to support arts programs and access, arts education programs, and supporting local arts councils and organizations. Most grant dollars required a 1:1 match from private sources. Which statement below best reflects your view?

(Increase in state funding, receive the same amount, decrease in state funding, no opinion at this time)

The NAC should receive an increase in state funding in the coming fiscal year.

How aware are you of the Nebraska Cultural Endowment and the Cultural Preservation Endowment Fund (CPEF)? *(very aware, moderately aware, slightly aware, not aware)*

Very aware

The State of Nebraska has curriculum standards in the fine arts, which include art, music, theater, dance, and media arts. However, we have a teacher shortage impacting access to arts education. How important do you think it is for our state to focus on teacher recruitment and retention in order to provide content-specific certified teachers in the arts?

(essential, high priority, medium priority, low priority, not a priority)

Essential

U.S. Bureau of Economic Analysis reports that the arts and culture sector contributed \$3.6 billion to Nebraska's economy in 2022, representing 2.21% of the state's GDP, 31,228 jobs, and total compensation of \$2.1 billion. How important do you feel state appropriations and policies to advance Nebraska's creative industries (including arts, cultural, historical, humanities, science, and arts education resources) are in relation to creating a strong economic future for Nebraska? *(very important, moderately important, slightly important, not at all important)*

Very important

How aware are you with the Nebraska Creative District program? Are you aware there are currently 30 certified Creative Districts that are driving economic development in their community. *(very aware, moderately aware, slightly aware, not aware)*

Moderately aware

There are currently 30 certified Creative Districts that are driving economic development in their community. Do you know if one of your communities in your legislative district is a certified Creative District? *(yes, no, not aware at this time)*

Yes

Nebraska adults have one of the highest participation rates in the U.S. in annually attending an art exhibit or arts performance. Is there a specific arts or culture organization in your part of the state that you or your family particularly enjoy, or do you have an artistic talent or hobby?

Yes

If yes, please list your talent/hobby and your favorite arts organization(s) here:

There are a variety of different art organizations which my family enjoys. We have attended the HEAR GI concert series in the Grand Island creative District and quite enjoy their shows. I've participated in the Harvest of Harmony parade and my grandchildren love to attend the Grand Theater to catch movies. The Stuhr Museum is a great exhibit on a beautiful piece of land which I have taken my kids to to learn more about Grand Island's history. I have also done some work with the Grand Island Tourism Center and appreciate all they do.

Additional Comments from the candidate:

The arts are an important part of Nebraska's culture. We need to continue to invest in art programs because they make our community a better place to raise a family. These investments help us to attract young families to Nebraska and keep them here which helps with our workforce shortages as a state. When elected I will be a strong supporter of ensuring we are supporting the arts and humanities.
